What Does His Resurrection Mean To  
Me?  
John 19-20

Level of Biblical Learning:  
Jesus' crucifixion, burial, and  
resurrection were a necessary part  
of God's plan or the forgiveness of sin.

All of us go throughout the day sinning. We either lie, judge people, think bad thoughts, or disobey our parents. The whole time Jesus was here on Earth he did not commit one single sin. This is why He was the only that God sent to die on the cross for us because Jesus is so pure. With His death and resurrection we now have an entrance to heaven and that is why we can say that our sins have been, are, and will be forgiven. Jesus' resurrection is the best thing that could have ever happened to us because otherwise we will not be able to enter the heaven's and have an everlasting life with our heavenly father.
