Why Is My Body Changing?

Change is part of God's design for your life. Time and seasons change in predictable patterns, and spontaneous change seems to happen every day. Even your physical body was created to grow and change.

In this week's passage, Ecclesiastes 3:1-8, Solomon contemplated the seasons of change and emphasized that there is an appropriate time for everything. Consider the passage and the ways you have personally experienced the times described. How was God at work through those changing times in your life?

Memory Verse:

Psalm 71:17-18

"God, You have taught me from my youth, and I still proclaim Your wonderful works. Even when I am old and gray, God, do not abandon me. Then I will proclaim Your power to another generation, Your strength to all who are to come."
