Introduction: How do you get wisdom? In 1 Corinthians, Paul said there is no real human wisdom. True wisdom comes from God through the Holy Spirit. In Romans 7, Paul explained that the Spirit of God has searched the deepest thoughts of the mind of man and the very depths of God. The most wonderful part of the message is that this powerful wisdom rests in the mind of every believer. Through this lesson you can know that the things you watch, say, and do will affect your thoughts, attitudes, and actions.

As a follower of Christ, be careful that what you put into your mind agrees with the teachings in the Bible. All wisdom you have received about God has come through the power of the Holy Spirit. People cannot truly know God, themselves, or others apart from the Holy Spirit. The Holy Spirit transforms our mind into the mind of Christ.
