Best Use

As a movie night and discussion for parents with their teens

Nutritional Value

Triggers meaningful dialogue on disappointment and meaning in life

Advance Preparation

- Rent or purchase the 1980 film *Dead Poets Society*. This film is rated PG and includes some offensive language and brief sexual innuendo. You might consider buying a service like *clearplay.com* that edits out language and offensive scenes.
- Pop some popcorn and have the discussion guide on the reverse side ready.

Serve It Up

Be up front with your teen, explaining that you want to watch the film to discuss its themes from a Christian perspective. Don't use this as an occasion to teach, but to enjoy some good dialogue. You probably won't agree on everything, which is fine. Just discussing the themes can strengthen your relationship and stretch critical thinking skills.

Film Synopsis

Mr. Keating (played by Robin Williams) is a wonderful teacher who uses unconventional methods to awaken his student's minds to poetry, beauty and a passion for life. But he does so based upon a view of the world which says that we should pursue life to the full while we are alive because when it's over, it's over. His primary theme is "Carpe Diem - Seize the Day!" One young student named Neil fully embraces Mr. Keating's philosophy, giving him the courage to defy his overbearing father. But doing so ends in tragedy when Neil's *Carpe Diem* dream is taken away.
